Absent: RL, AB, ASm, TL

1. Committee reports

MH - helping out international freshers. Trying to host a formal next week with Kings.

AG/IM - did two bops, bar crawl, bar quiz yesterday, hoping to screen uni challenge in bar on Monday

CL - helping out with treasurer responsibilities and handover

JS - dealing with new societies requests

Welfare - relaunched welfare phone, leasing with counsellor about publicity, coordinating with JCMS for welfare blues

GT - redesign the form online used to make bulletins, reignited snapchat competition

AO - ambassador recruitment, finished off alternative prospectus gone to print

OO - talking to dean about the incident outside College, will send an email

KB - joined, learning the treasurer roles, looked into the sports centre payment (item on agenda)

EC - welfare stuff

EP - went with Daisy to have meeting at CUSU, meeting with master

DE - Freshers' week massive success (handover: president should censor freshers' page, there is too much stuff from outside College, car park issues), formal ticket swap policy coordinated with Manciple, meeting with the Master, interim treasurer responsibilities, sorting out newspapers

2. Suggestion form

CL - caff putting out stuff for formal too early, will organise meeting with Manciple

3. Matters arising

(a) Creation of new societies: all passed

EC - questions whether Radicand TV will be inclusive

JS - lot of fresher interest

GT - need to have a meeting about media policy

DE - won't be time before next meeting, subcommittee?

GT - something informal with DE and Ron will suffice

(b) Sports centre

KB - The university built a sports centre asked all to pay, most Colleges pay it instead of their respective JCRs . Jesus asks JCSU to.

CL - MCR are now taking their share

KB - down to £4,000 from to £7,000. Compared to other Colleges we have a large budget. Amatey does not think worth challenging as would have to renegotiate entire funding

DE - don't think renegotiation is within our interest

KB - Amatey thinks whole CUSU model is changing, thinks JCR contribution will reduce as a result

DE - ultimately, we are already operating at a bit of a surplus (apart from enterprise account)

CL - don't think it's a battle we need to fight

DE - don't think it is in our interest. Perhaps a future JCSU might want to deal with this, pointless starting before it has to

(c) Budget

DE - don't forget JCSU has to apply for a budget too. TL to ask for an increase

KB - email will be sent out today

DE - new bar manager might put on more events, so might save money but will need to check whether they intend to charge

IM - decorations now come out of Ents budget

DE - will email Dean about rules for fancy dress formal

(d) AGM/OGM

DE - College has put our AGM in their diary for 10th November, problem is that you have to have an OGM first. Looking like 16th of November

KB - deadline for budget 24th October

DE - OGM week of 31st. Thursday 3rd, AGM one week later

JS - AGM prospectively 17th? Will allow greater gap between the two

DE - yes

(e) Quality of life survey

DE - an idea I had since our last survey, feel its a gap in our knowledge especially with caff prices. Will include welfare elements. Objective whether finances are being stretched by current setup

Careers even

DE - came up with meeting with master. Many alumni of Jesus that we don't engage with. We just want a survey to see who/which industries would most like to see in College

AG - might be easier to see which alumni are interested first

4. AOB

DE thanked the members of the Committee for a helpful and successful meeting.

The meeting closed at 6PM.
