Minutes

Liv: Halfway Hall - Annabel and Sorcha met DB.

Annabel: DB listened well - he is getting to grips with pricing still. Could upgrade Formal to superhall for £5 extra - lots of other ideas. Also talked about Varsity article and anonymous feedback form.

Liv: Different at every college - only 4 others where JCR organises and about half and half are free. Queens is most expensive other college at £28 - college subsidise.

Annabel: He also wants to review whole of conference prices over next year.

Zannah: He loves a bit of video content.

Liv: Voting registration stall - 14th March, come down to Brewery Room to help. Is also doing stash review for summer e.g. polo shirts useless, will send out link to propose ideas.

Zannah: Going to look at sustainability/ethics of companies making stash.

Astrid: We need to let people know you can top up Upay at Roost with any amount, including cash.

Liv: Can do posters.

Priya: Add into freshers information guide.

Liv: Ballot day!

Annabel: Need 2nd year helpers to rotate, 1 welfare officer at all times. This Wednesday.

Liv: Especially need people towards end of day to pick up pieces.

Annabel: Want lots of faces in the afternoon.

Priya: Can work at the same time and be there, people won't have breakdowns all the time. Need place where people can go in private.

Annabel: Maybe ask if Brewery Room closed to others on Wednesday?

Liv: Encourage people to come down before slots to talk to us and get advice.

Annabel: Can be v time pressured making decisions. (Signing people into half hour slots). Had to voice JCSU opinions on spreadsheets not being allowed - tutorial office not happy.

Sejal: No one has done a spreadsheet yet.

Astrid: Do we wear jumpers? (Yes)

Zannah: Might be worth putting people in Waff too.

Sejal: Make sure people know we'll be there. Welfare downstairs is important.

Emma: Trying to organise drinks reception for Grace - everyone invited and thinking about taking her out for dinner afterwards (5th March). Talk is at 7pm. Invite friends!

Annabel: Is talk ticketed? (Yes)

Emma: College being annoying and demanding £480. Will probably be in Frankopan, unsure how many tickets can be released. Open to all colleges, tickets free. Not sure about drinks receptions for other speakers.

Liv: Sorcha wants everyone to book Fitz/Jesus formal tickets! Lots of Fitz people coming. They can give us advice on free menstrual products.

Emma: Is Brewery Room free on Thursday 7th March? (Should be). Conference said it's booked, looking to swap.

Priya: Conferencing are useless with students.

Emma: Are they cancelling our booking for other people paying?

Liv: Holly spoke about power of open letter against college.

Priya: We should open up dialogue with college about it. Open letter could be damaging.

Liv: Her and Sorcha draft letter for next meeting. Could try to set up time slots when they are completely open to students.

Annabel: Conferencing often v busy Tuesday, Wednesday and Thursday and charge higher prices.

Liv: See you next week!
